01 August 2025

Dear Resident

NOTIFICATION OF ROADWORKS – BIRCHLEY ROAD

The Council intends to carry out carriageway resurfacing works at **Birchley Road** as part of the 2025/26 approved highway maintenance programme. Please find attached a location plan showing details and extent of the scheme.

Resurfacing works are scheduled for commencement on Tuesday 5th August 2025 with the likely duration of 5 days.

- Temporary traffic signals will be in operation on Birchley Road from Tuesday 5th August for 2 days between 8am and 5pm.
- Birchley Road will be closed to through traffic between Trent Road and Rainford Road from Thursday 7th August for 3 nights between 7pm and 5am.

The road should be kept clear of parked vehicles during the working hours stated. I understand this may be inconvenient, but the works are essential and the team on site will do their best to minimise any disruption.

Access to your property will be under the control of the contractor and will be available as soon as relevant sections of the works are completed. The Contractor for the scheme is **HA Civils**.

If you know of any future works to your property that may cause the highway to be excavated, (eg new water mains, sewer, gas connection etc), please let me know so that works can be programmed to avoid reinstatements in the newly constructed areas.

If you have any queries regarding these works please contact **St Helens Council Contact Centre** on **01744 676789** or e-mail roadworks@sthelens.gov.uk quoting reference LT00273103835. Alternatively, you can contact **HA civils** direct on **0151 559 0860**.

I apologise for any inconvenience caused during the works.

Yours faithfully

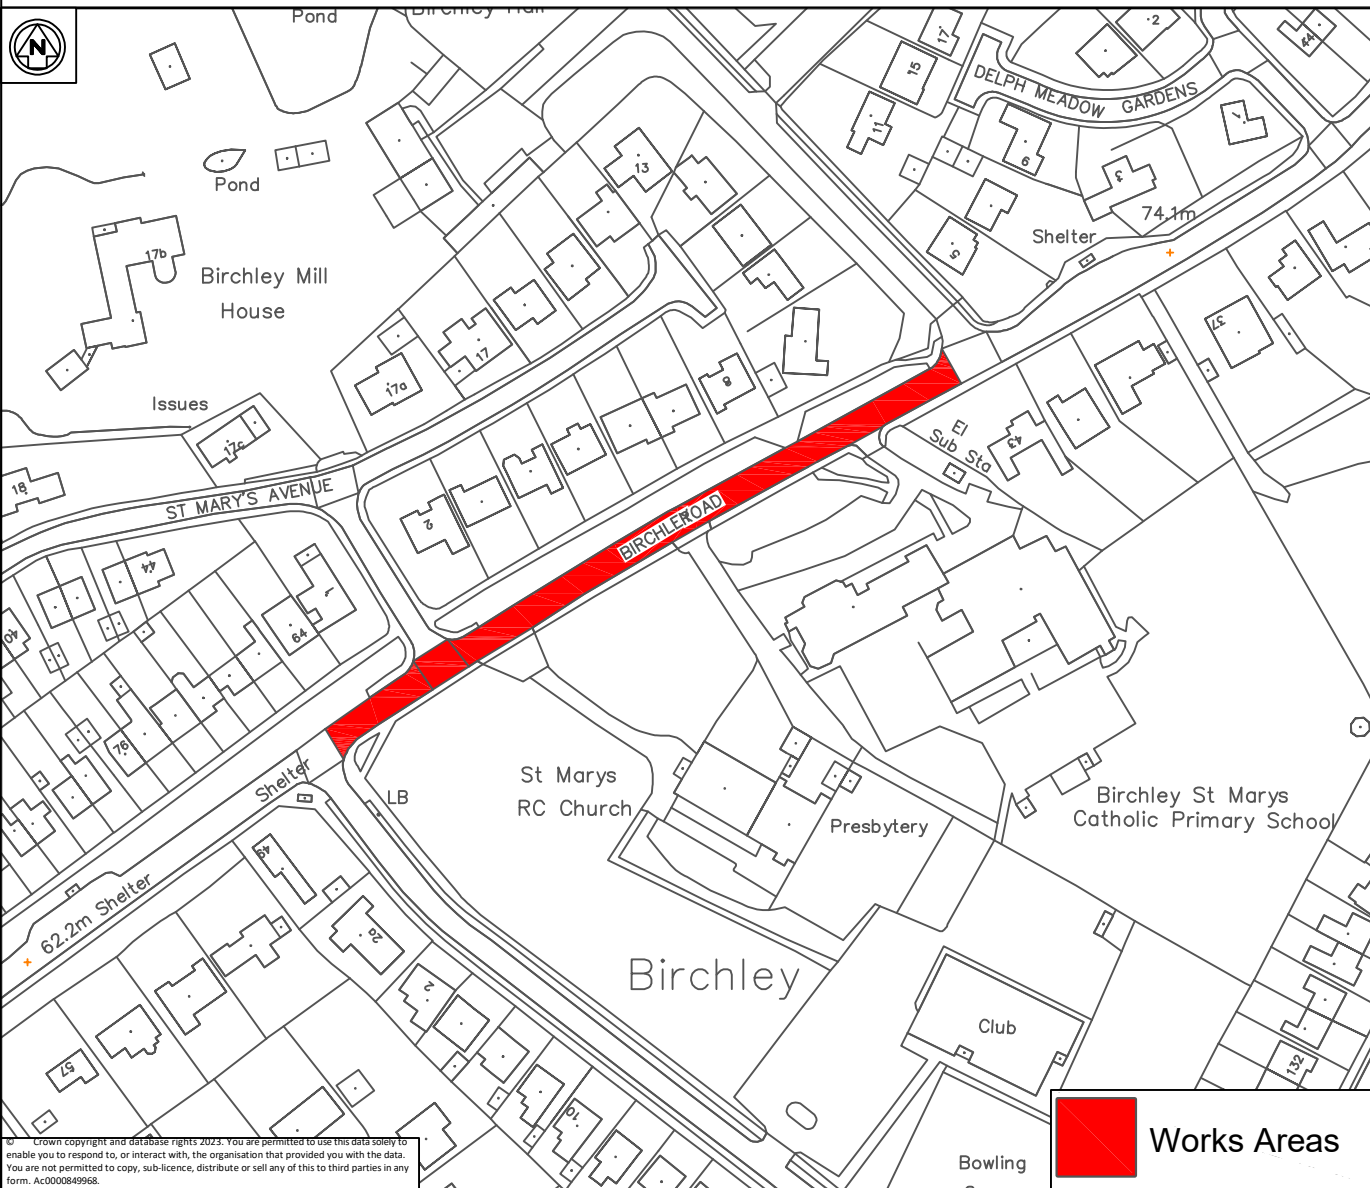

G Caine
Highway Maintenance Manager

Essential Roadworks

Birchley Road, Billinge & Seneley Green Carriageway Resurfacing Tuesday 5th August 2025

Motorists, Residents and Businesses are advised that road works to resurface the carriageway at Birchley Road, are programmed to commence on Tuesday 5th August 2025, and will take approximately 5 days to complete.

- Temporary traffic signals will be in operation on Birchley Road from Tuesday 5th August for 2 days between 8am and 5pm.
- Birchley Road will be closed to through traffic between Trent Road and Rainford Road from Thursday 7th August for 3 nights between 7pm and 5am.

Cones, barriers and signs are there for a reason - to protect our workers from danger and to keep the public safe. We urge drivers to pay close attention to safety when driving near roadworks.
