Road Safety Event for Senior Road Users 60+
St Helens Town Hall, Victoria Square, WA10 1HP,

**Free tea,
coffee & lunch**

As we get older, the roads can feel a little less familiar, but your safety and confidence still matter. Join us for a relaxed, friendly session designed especially for senior road users, just like you. Speak with us, meet your local road safety team and others in your community, enjoy a brew, a bite to eat and a good chat about all things road safety.

What to expect on the day

- Inspiring guest speakers sharing real road safety experiences
- Friendly road safety stalls with practical advice and free resources
- Updates on changes to the highway code and what it means for you
- Guidance on vision, eyesight and mobility
- A chance to ask questions and connect with the professionals who can give you the information you need
- Free tea, coffee and lunch

Why come along?

- Got questions? Get answers directly from the professionals.
- Stay safe by staying informed, a lot has changed over the last few years, get the info you need
- Enjoy a brew with local like minded people & experienced professionals
- Meet others in your community
- Get the information and reassurance to keep it safe when using our road network
